

UGANDA GOLF UNION

Women in Golf Charter

The Uganda Golf Union is committed to the development of golf as a sport with a strategic focus on inclusion of ladies and girls at every level. The emphasis of gender diversity has been at the helm of the Uganda Golf Union's objectives.

The Uganda Golf Union fully supports The R&A in the implementation of its Women in Golf Charter, and we are proud to be a signatory. The Uganda Ladies Golf Union is already a signatory to the Women in Golf Charter.

We pledge to support the charter through:

Leadership

- Creation of governance structures that provide for the inclusion of women in the leadership of the game of golf at all levels in the country (clubs, union, etc.).
- Creation of a deliberate campaign at all clubs to provide incentives that enable women and girls to easily join the game of golf.
- Maintaining a permanent seat for a lady on the Uganda Golf Union Executive. This lady is the president of the Uganda Ladies Golf Union.

Grassroots

- Emphasize promotion of ladies competitions and events at all clubs to encourage girls' participation and involvement.
- Creation and promotion of ladies competitions at clubs such as ladies nights and ladies open.
- Introducing continuous junior (girls and boys) programs at all our affiliates and at targeted schools across Uganda and provision of golf equipment.

High Performance and Coaching

- Elevation of women into golf administration, Golf coaches' up-skilling, rules training, refereeing and course maintenance training.
- Producing more female golfers with the potential to compete on the international stage by providing high quality local events for emerging and elite female players.

Uganda remains committed to the promotion of gender inclusiveness through collaboration with stakeholders and the R&A. We look forward to walking this journey with you through our strategic plan.
