The R&A Rules Education Programme.

The R&A runs a 4-tier Rules Education programme as detailed below. The materials for Level 1-4 are available via The R&A Rules Education Centre and Level 1 is also available via the Rules Academy on The R&A website.

Level 1

Focus: The basics of the Rules that every golfer should know.

Who: All golfers, committee members, aspiring referees
How: Attend Level 1 Seminar run by your national federation or by completing The R&A Rules Academy online.

Level 2

Focus: The detail of all the Rules and relief procedures. Provides an introduction to refereeing.

Who: Any golfer who wants a better understanding of the Rules or who has a desire to be involved in golf administration or refereeing.
How: Attend Level 2 Seminar run by your national federation.

Level 3

Focus: Practical guidance and advice on running tournaments with a particular focus on refereeing skills.

Who: Those with an advanced involvement in golf administration and those who wish to referee.
How: Nominated by national federation to attend R&A Level 3 Seminar.

Level 4

Focus: In collaboration with the national federation/union, delegates will work to gain experience and skills in 7 areas of competency to achieve Level 4 Advanced Referee status.

Who: Referees at the highest level and those who fulfil a tournament director role.
How: Nominated by national federation/union to participate.

Rules Resources and Materials available for.

01

Beginner Golfer

02

Junior Golfer

03

All Other Golfers

04

Committee Members

05

Referees

Beginner Golfer.

Quick Guide to the Rules of Golf: A 12-minute video providing the basic information that all golfers need to play by the Rules.

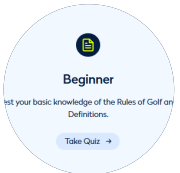

Rules Skool Open: This fun video series is aimed at helping junior golfers learn about the Rules of Golf, but it has also proved popular with all ages.

Player's Rule Finder: This visual guide helps the golfer find the Rule relating to their situation within the Rules of Golf more easily. It covers the most common scenarios and provides the answers using simpler language and with a focus on you, the golfer.

Rules Academy - Online Level 1: This free online course teaches the user how to deal with the most commonly occurring Rules situations and ends with the optional Level 1 Exam.

Beginner Rules Quiz: The Rules quiz is an opportunity for all golfers to test their Rules knowledge by completing 6, 9 or 18-question long quizzes.

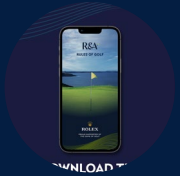

Rules of Golf App: The App is the digital version of the Rules of Golf and also includes quizzes, videos, search functionality, the Player's Rule Finder and Rules News Articles.

Junior Golfer.

Rules Skool Open: A fun video series for junior golfers who want to learn more about the Rules of Golf.

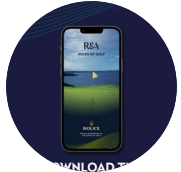

Rules of Golf App: The App is the digital version of the Rules of Golf and also includes quizzes, videos, search functionality, the Player's Rule Finder and Rules News Articles.

In addition to the above, please refer to Beginner Golfer or All Other Golfers materials, depending on the standard of the Junior Golfer.

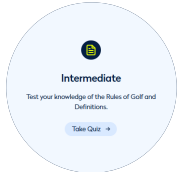

All Other Golfers.

Rules of Golf App: The App is the digital version of the Rules of Golf and also includes quizzes, videos, search functionality, the Player's Rule Finder and Rules News Articles.

Animated Rules Videos: Series of short animated videos explaining the most frequently occurring Rules situations.

Intermediate and Advanced Rules Quizzes: The Rules quiz is an opportunity for all golfers to test their Rules knowledge by completing 6, 9 or 18-question long quizzes.

Quiz of the Week (in the Rules of Golf App): A new themed Rules quiz of 3 – 7 questions is added each week. Users are guided to learn more about the topic at the end of the quiz and can keep track of their stats and share their result with friends.

Committee Members.

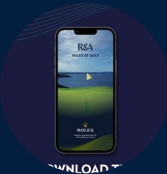

Rules Resources Centre: Online depository of additional resources for Committee Members, including Local Rules and Terms of the Competition, Pace of Play resources and Additional Clarifications to the Rules of Golf.

Committee Procedures: Practical guidance for running day to day play at golf courses or running competitions at all levels of the game. Section 8 of Committee Procedures also provides Model Local Rules that the Committee can adopt.

Local Rules Creator: Online tool to help Committee Members with the creation of Local Rules for their golf course/club.

Rules of Golf App: The App is the digital version of the Rules of Golf and also includes quizzes, videos, search functionality, the Player's Rule Finder and Rules News Articles.

Club Rules Presentation: Presentation materials to support the organisation of a Rules night for club golfers.

Rules Academy - Online Level 1: This free online course teaches the user how to deal with the most commonly occurring Rules situations and ends with the optional Level 1 Exam.

Referees.

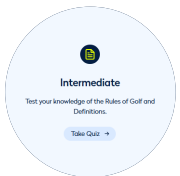

Rules of Golf App: The App is the digital version of the Rules of Golf and also includes quizzes, videos, search functionality, the Player's Rule Finder and Rules News Articles.

Rules Resource Centre: Online depository of additional resources for Referees, including Local Rules and Terms of the Competition, Pace of Play resources and Additional Clarifications to the Rules of Golf.

Committee Procedures: Practical guidance for running day to day play at golf courses or running competitions at all levels of the game. Section 8 of Committee Procedures also provides Model Local Rules that the Committee can adopt.

Quiz of the Week & Other Quizzes

- Opportunity to test Referees' Rules knowledge by completing 6, 9 or 18-question long quizzes.
- Quiz of the Week (App only) - A new themed Rules quiz of 3 – 7 questions is added each week. Users are guided to learn more about the topic at the end of the quiz and can keep track of their stats and share their result with friends.
