

## **Return of Scorecard Policy**

### **Supplemental Notice: When Scorecard is Returned**

The following term of the competition is in effect for the 2026 Women's Amateur Asia Pacific which defines when a scorecard has been returned.

Note that it may allow you to fix a scorecard error provided you return to the scoring area to do so within the 15-minute time limit defined below.

If you become aware that your scorecard does or might include an error and you have already left the scoring area, you should immediately notify a Referee and return to the scoring area.

---

#### **"Return of Scorecard:**

Under Rule 3.3b, a player must promptly proceed to the scoring area once their round is completed, and the player's scorecard is returned to the Committee 15 minutes after the scorecard is accepted into the electronic scoring system.

But if a scorecard mistake is discovered before it is accepted into the electronic scoring system and the player is not in the scoring area to correct that mistake, the player's scorecard is returned 15 minutes after that mistake is discovered.

Exception 1: If the player is in the scoring area when the 15-minute time limit expires, the player's scorecard is only returned when the player leaves the scoring area.

Exception 2: A player's scorecard is returned if any of the following events occur, even if it occurs before the 15-minute time limit has expired or the player is still in the scoring area:

- The player begins their next round.
- Any player has made a stroke to begin a play-off.
- The competition has closed.

Note: When applying the Exception to Rule 3.3b(3) or under any Rule where a player must correct a mistake before returning their scorecard (such as Rule 14.7b), the player's scorecard is returned when the player has left the scoring area."
