THE CHAMPIONSHIP.

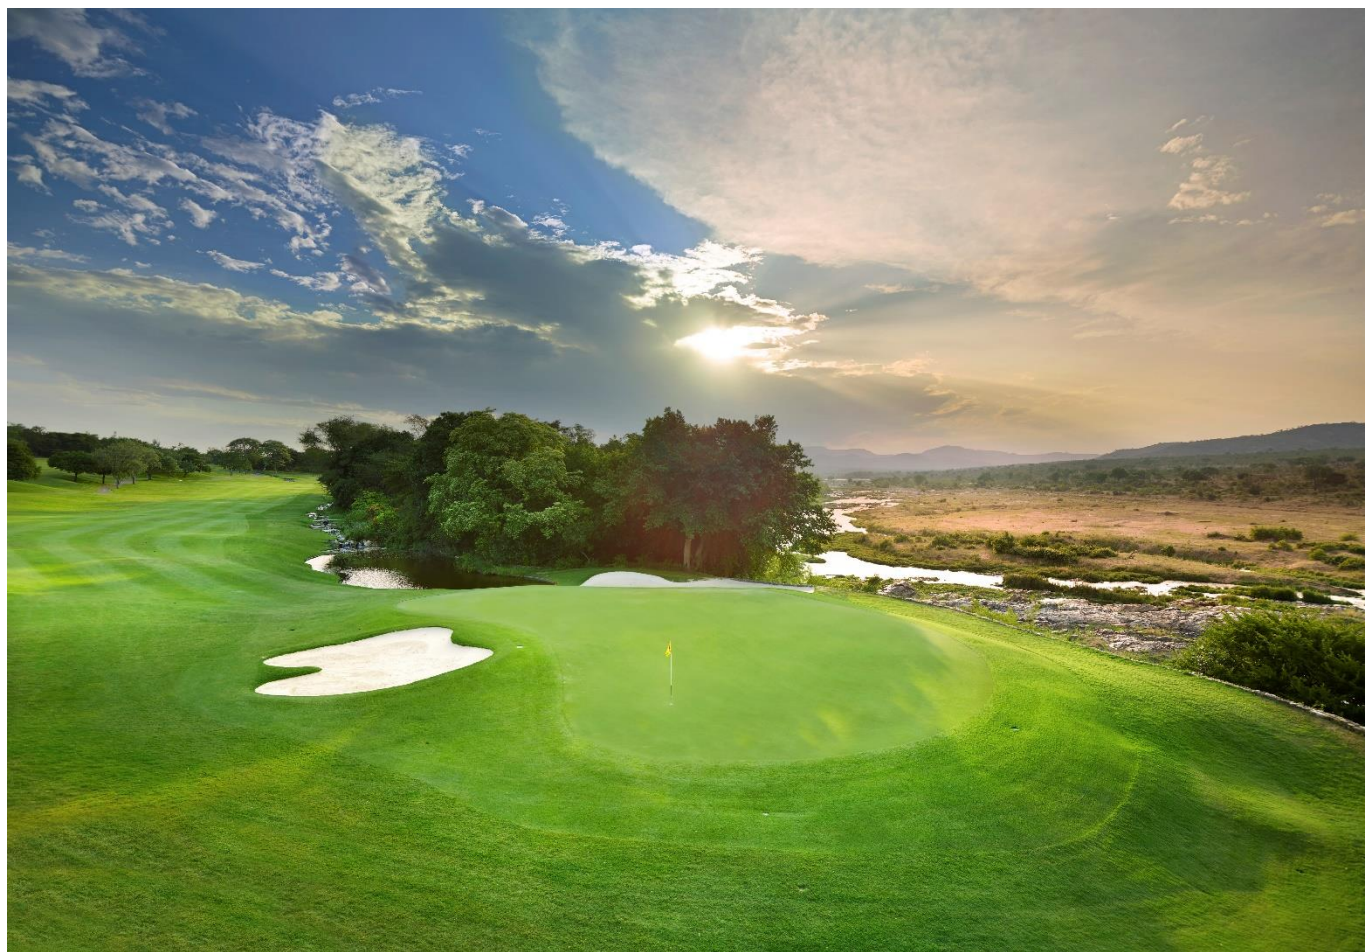

This invitational event will feature 21 women from the region of Africa competing in a 54-hole stroke play format with the winner receiving exemptions into several premium events.

In its second year, this event complements existing amateur championships jointly organised by The R&A in Asia-Pacific and Latin America and enables players from Africa to play at the highest level, as well as creating a pathway for African golfers to develop and become an inspiration for others to follow.

The championship also builds on an Africa High Performance Programme established by The R&A and delivered to players and coaches in African countries as part of a wider effort to develop golf and provide support to players aspiring to reach elite levels of the sport.

HOST VENUE.

2025 HOST VENUE LEOPARD CREEK COUNTRY CLUB

Innovative architectural and landscaping techniques ensure that the Leopard Creek golf course and living areas are naturally protected from animals, while lakes and small streams have been diverted through the development to create scenic vistas and interesting golf strategies.

Golfing hazards take on a new dimension at Leopard Creek, for much of the water is home to the magnificent creatures for which the river is named, crocodile. Sightings of crocodile, hippo, antelope, buffalo and elephant are commonplace, on the course or in the Kruger Park bordering the course.

2024 CHAMPION.

Kyra van Kan became the first-ever Africa Amateur Women's Invitational champion after completing a wire-to-wire victory at Leopard Creek.

The South African won the 54-hole event by nine shots over compatriot Bobbi Brown to clinch the title on a one-under-par total of 215.

"I'm seriously overwhelmed, it's such an amazing feeling," said van Kan

"Finishing here on such a prestigious golf course. I'm really honoured to have my name on that trophy."

"This is something that I don't think I'll ever forget until I'm like 90. I think I'll always cherish this moment. The R&A has made this moment feel so special and I'm forever grateful for that."

2025 CHAMPION.

The winner will become the Africa Amateur Women's Invitational Champion and will be awarded the Championship Trophy and medal. The runner up will receive a medal and those in third place(s) will each receive a memento.

The Champion will receive exemptions to;

Extreme Heat

February is one of the hottest months in the Kruger National Park.

Afternoon temperatures are usually around 32°C/90°F but can soar up to 40°C/104°F.

Golfers who spend several hours out on the course on a hot day put themselves at higher risk of an elevated body temperature, dehydration and heat illness, which can essentially impair not only performance, but also overall health. You can take action to reduce these risks by staying hydrated and seeking shade where possible. Please read carefully the Heat Advisory notice supplied.

Wild Animals

When entering Leopard Creek, you will be in an unrestricted wildlife area where you may encounter wild animals and/or reptiles.

Do not approach any animal / reptile.

Should you encounter any challenging situation on the course please contact a Rules Official or call the Championship Office using the phone number which will be provided when you arrive onsite.

You will be issued with further guidance on arrival at the Championship.

MALARIA.

The Mpumalanga area is an area of Malaria transmission.

You should consider checking in with a health professional prior to travel to obtain medication to prevent malaria.

Please try to limit the risk of bites as detailed in the Malaria advisory notice supplied.

If you develop a fever or symptoms during or after the Championship, please visit the Championship Medical centre (onsite) or see a doctor as soon as possible (post event).

PLEASE READ THE SEPARATE MALARIA GUIDANCE DOCUMENT CAREFULLY

MALARIA RISK AREAS

Risk is high around the Kruger National Park areas shaded in red below.
