For more information please see our Pace of Play manual at www.randa.org
Pre-Shot Routines: Keep your routine short and avoid lots of unnecessary practice swings.

Tees: If you think your ball may be lost or out of bounds, play a provisional.

Provisional Ball: Don't mark your scorecard while others are waiting.

Card Marking: Be ready to play when it is your turn.

Position of Bags & Carts: Assess your shot in good time and don't delay.

Be Ready: You should play from tee positions that reflect your ability.

Shot Assessment: Golf bags or carts should be carefully positioned to allow quick movement off the green.

For more information please see our Pace of Play manual at www.randa.org
Management Practices.

For more information please see our Pace of Play manual at www.randa.org

Longer Starting Intervals
Avoid overloading the course – more golfers causes congestion. Longer intervals between starting times can help.

Encourage Ready Golf
Encourage shorter and faster forms of play, e.g. 9-hole, match play and Stableford.

Time Par
Establish a target time for your course and monitor performance.

Use Ready Golf in stroke play formats.

Alternative Forms of Play
Encourage shorter and faster forms of play, e.g. 9-hole, match play and Stableford.
**The Course.**

For more information please see our Pace of Play manual at www.randa.org

- **Adjust the course set-up in tough weather conditions.**
- **Weather conditions**
  - Situate hole positions in accessible locations.
- **Hole positions**
- **Course signage**
  - Provide clear signage to help direct golfers around the course.
- **Tee positions**
  - Provide appropriate tee positions for all abilities.
- **Golfer ability**
  - Consider the ability of the golfers playing your course when setting up. The course should be challenging but enjoyable for all players.
- **Green speed**
  - Watch your speed! Faster greens are harder for the average golfer.
- **Rough length**
  - Challenging but fair. Looking for balls leads to delays and frustration.
