 - where the National Amateur Champion is a non-national, the top-placed player in the competition won by the National Amateur Champion from that country will be nominated by the Affiliate to the Committee for approval; and
 - where a country has no National Amateur Champion, the R&A Affiliate may nominate a player from their country to the Committee for approval. - c) After allocating places to players under sections 2(a) and 2(b), the remaining places in the starting field will be awarded to players with the highest position in WAGR® on calculation of 2025/43 and, if still incomplete, by using the Handicap Index®/equivalent exact handicap of entrants at date of entry. The reserve list will be in order of unsuccessful entrants within the WAGR® listing on calculation of 2025/43, and thereafter by handicap. The maximum number of players from any country, except the host country, will be 8. The maximum number of players from the host country will be 12. When utilising reserves, these maximum numbers may be extended at the sole discretion of the Committee.
- d) A player who fails to give The R&A notice of their withdrawal by close of registration or who is absent from the Championship without giving The R&A notice of their withdrawal will have their entries to all R&A Championships rejected for the next calendar year. Exceptions may be made in the case of sickness and other special circumstances at the discretion of the Committee. If an entrant withdraws before or after close of entries, their withdrawal is final, and re-entry is not permitted.

- f) Players must register at the venue with The R&A no later than Tuesday 3 February 2026. Any player failing to register will be disqualified.
- g) The Championship will be played in accordance with the Rules of Golf as approved by R&A Rules Limited and the Local Rules as approved by the Committee.
- h) Any player who believes they are eligible to use the Modification for Players with Disabilities (Rule 25) should contact amateurentries@randa.org at entry to confirm their eligibility to use the specific modifications in Rule 25.
- i) Model Local Rule G-10 in the Official Guide to the Rules of Golf is in effect. In making a stroke, the player must not use a club, except for a putter, which exceeds 46 inches in length.
- j) Model Local Rule G-12 is in effect. Under this MLR, a player must not use any written, printed, or electronic materials to help with reading the line of play for a stroke to be made from on the putting green. While any other use of a yardage book is allowed (such as a player making a note as to what club they used on an approach shot), to avoid any doubt a player should

not look at their yardage book or any other material when the ball is on the putting green. If a player breaches this Local Rule, they will receive a general penalty for the first breach and disqualification for the second breach.

- k) The Model Local Rules in the Official Guide to the Rules of Golf are in effect regarding Conforming Driver Heads, Conforming Golf Balls and Groove and Punch Mark Specifications.
- l) Model Local Rule G-6 is in effect. A player must not ride on any form of motorised transportation except as authorised or later approved by the Committee. The R&A will only consider requests for use of motorised transportation where: (i) the player making the request has a qualifying disability and (ii) the need for transportation results from that disability. Any requests by a player to use any form of transportation must be made by close of entries. All requests must be made in accordance with the procedures outlined in The R&A's Transportation Policy, available on request from The R&A.

- p) The Championship will be decided by stroke play over four rounds. One round of 18 holes on each of the first two days, for which one draw will be made. The 40 lowest scores over the 36 holes and ties for 40th place will qualify for the final two rounds. If a competitor who has posted a two-round total that will qualify for the final rounds, withdraws before or after the final rounds draw is made, the competitor's results will still be used to calculate the leading 40 places and ties that will determine the cut mark. The pairings and starting times for round 3 shall be determined by the 36 hole total with the competitors with the lowest scores starting last, and the same principle will apply for the final round.
- q) In the event of a tie after four rounds, the winner of the Championship will be decided by a hole by hole play-off to take place immediately. In the event of a tie for second place, this will be decided on the lowest score for the last 18 holes (or the last 9 or 6 or 3 or 1 hole). If a tie still arises, the scores for the third round will be treated in the same way until a decision is reached.

3. PRIZES

The winner will become the Africa Amateur Champion and will be awarded the Championship Trophy and a gold medal. The runner-up will receive a silver medal and the competitor in third place and those tying for third place will each receive a memento.
