TERMS OF COMPETITION

1. ENTRIES

- a) By submitting an entry for The Women's Amateur Championship (the "Championship") you are entering into an agreement with R&A Championships Limited (Company number SC247047), having its registered office at Beach House, Golf Place, St Andrews, Fife KY16 9JA ("The R&A") and you agree to be bound by these Terms of Competition. It is the responsibility of each competitor to ensure they have read and comply with these Terms of Competition.
- b) The Championship shall be open to female players who:
 - (i) are members of a golf club affiliated to a National Golf Association, authorised to adopt, manage, and maintain the World Handicap System™ (WHS) within their jurisdiction; and
 - (ii) have Amateur Status in accordance with the current Rules of Amateur Status, as published by R&A Rules Limited and the USGA, and who are also either: (a) ranked within the Women's WAGR® listing 1 – 1000 (see wagr.com) at date of entry, or (b) hold a current Handicap Index® based on ratings for women of not more than 0.4 at date of entry, as issued by an Authorised Handicapping Body. Entrants that are relying on the handicap criteria set out above but who do not hold a Handicap Index® must hold a current equivalent exact handicap, as issued by a recognised Handicap Authority, that would demonstrate an equivalent playing ability to a Handicap Index® based on ratings for women of not more than 0.4 at date of entry.
- c) Competitors must be of the female gender and have been female at birth or had the female sex assigned prior to puberty and meet the conditions of The R&A's transgender and non-binary policy, including pre-clearance as stated below.

Any transgender women or women with differences in sexual development (46 XY DSD) who wish to enter the Championship are subject to The R&A's transgender and non-binary competition policy and must apply for pre-clearance from The R&A to compete in the Championship. Application for pre-clearance must be made in writing to amateurentries@randa.org as early as possible and in no event not less than 6 weeks prior to the Championship.

The R&A reserves the right to carry out a confidential case-by-case evaluation of whether any competitor's participation is likely to lead to unfair competition at any time either prior to, during or after the Championship if it determines that such an evaluation is or becomes necessary. The Committee reserves the right to disqualify any competitor who does not meet the requirements for entry to the Championship, who does not comply with the requirements set out in The R&A's transgender and non-binary competition policy or where it determines that the competitor's participation in the Championship would lead to unfair competition.

- d) Entrants holding both a Handicap Index® and a handicap issued by a recognised Handicap Authority, must enter the Championship using their Handicap Index®. The penalty for failure to enter the Championship in compliance with this section 1(d) is disqualification.
- e) The R&A may require independent certified evidence of the playing ability of entrants and it reserves the right to contact an entrant's current or previous golf club, National Golf Association or Federation to request their full handicap record for this purpose. An entry may be refused if, in the opinion of the Committee, an entrant's Handicap Index® is not reflective of their playing ability.
- f) One entry per player must be submitted electronically via randa.org and must be received by close of entries i.e. 23:59hrs BST on Thursday 28 May 2026. Entries by telephone will not be accepted. It is the responsibility of the entrant to ensure that their online entry is completed successfully, and all contact details are accurate. Late entries will not be accepted. In the event of duplicate entries being submitted, the first entry will be used for all purposes. Duplicate entry fees that have been collected by The R&A will be refunded. Entry fees will be refunded if intimation of withdrawal is received on or before close of entries. After close of entries, entry fees will only be refunded to entrants who do not gain a place in the starting field.

Any refund of entry fees will be processed within 28 days of the final day of the Championship to the card of original payment. If an entrant withdraws before or after close of entries, their withdrawal is final, and re-entry will not be permitted.

- g) The exact handicap/Handicap Index® certified at date of entry will be used for all purposes. i.e. no change of handicap will be accepted, even if prior to close of entries. Where an entry is made using the entrant's Centralised Database Handicap (CDH) number from the country of origin, it is the responsibility of the entrant to ensure that their exact handicap/Handicap Index® is up to date. For an entry to be accepted that has not been made using a CDH, the entrant is required to upload handicap certification as instructed during the online entry process. Failure to upload handicap certification will result in an entry being rejected.
- h) Acceptance of an online entry or being within the WAGR® listing 1-1000 at date of entry does not guarantee a place in the starting field. Entrants successful in gaining a place in the starting field will be advised after close of entries.
- i) All entries are subject to the approval of the Committee, which reserves the right to disqualify any person making a false statement in their online entry and/or to accept or refuse or, having accepted, subsequently reject any entry without giving reason for its decision.
- j) All competitors must participate in the Championship in its entirety. Failure to do so may result in future entries being rejected.
- k) All competitors should comply with the Anti-Doping provisions of the International Golf Federation's Anti-Doping Policy. The Championship is not an IGF-defined international event. Details of the Policy, and the current List of Prohibited Substances and Methods, are available from the IGF's website (www.igfgolf.org). Entrants who are taking medication and in doubt as to their clinical status should seek advice from The R&A or their National Anti-Doping Organisation knowing that, should a Therapeutic Use Exemption (TUE) be required, an application must be applied for not later than 30 days before the start of the Championship.

While any other use of a yardage book is allowed (such as a player making a note as to what club they used on an approach shot), to avoid any doubt a player should not look at their yardage book or any other material when the ball is on the putting green. If a player or caddie breaches this Local Rule, they will receive a general penalty for the first breach and disqualification for the second breach.
